**Registration is at about 70%. If you haven't registered, there's still time!**

**Make sure to register and pay before July 1st.**

Still on the fence about attending Menucha? Picture this: sitting out on the sunny back porch, frosty glass of lemonade in hand, chatting with friends (old and new) and enjoying the stillness of a week away from your daily tasks. Menucha is filled with opportunities for relaxation and recreation, socializing and Bible study, games and personal mediation. Whether you're a regular attendee, haven't been for years, or are considering attending for the first time – **we welcome you!**

**Menucha is officially 3 months away!**

## What will the weather be like?

The mornings and evenings are cool (~50 F) with warmer afternoons (75–85 F). Menucha is located in Corbett, OR if you'd like to check the weather forecast closer to the week.

## What should I pack?

Here are some suggested items to bring:

- Your Bible!
- Hymn book and Praise the Lord, if you have them.
- Musical instrument, if you have one.
- A hat, sunglasses, and sunscreen for the afternoons.
- A swimsuit, flip flops, and a towel for the pool.
- Bug spray, flashlight, and a light jacket for the evenings.

## Anything special I should prepare for?

- There are daily sports, yoga, or hiking options, so bring athletic shoes and clothing if you want to participate.
- For golfers, there is usually a mid-week excursion to a local golf course.
- For berry lovers, there is a mid-week berry picking outing to a local farm.
- For meal servers, Friday night is the server picture and a special dinner (YOU get served), so bring something nice to wear (button up shirt, dress or skirt, etc.) to celebrate.
- Don't forget to bring some cash for the raffle, Tabitha Boutique, and any outings.
